

LOOK WHAT'S NEW FROM IMAGIC!

MOONSWEeper™

Incredible 3-D graphics!

Land on Jupiter's moons if you dare! Rescue stranded miners but watch out for the towers. Then take off for other moons and trickier trials.

FATHOM™

Two games in one with over 150 game screens! Change from seagull to dolphin in your search for Neptune's Trident. Avoid perils of sky and sea and free the entrapped mermaid!

QUICK STEP™

You'll need fancy foot work for this one! Claim possession of trampolines by jumping on them to change them to your color. Freeze your opponent but don't fall off!

DEMON ATTACK®

Now for the IBM PC Jr!

Legions of demons are attacking the moon! Destroy them with your lasers before they blast you. Can you stop them?

LASER GATES™

An electrifying experience!

Destroy the diabolical computers before they destroy the universe. But watch out for flashing laser gates and other computer-generated menaces!

MICROSURGEON™

Coming for the IBM PC Jr!

Your patient needs help! Check your status screen for critical areas. Rush your robot probe to eliminate the medical maladies. Time is critical!
